

Are you one of Louisiana's most dedicated animal defenders?

The Paws Cause

Our members are Louisiana's top animal defenders!

As part of our **PAWS TO REBUILD** Katrina recovery campaign, HSL must sign up 300 new monthly pledge donors to replace key supporters who relocated or were unable to continue contributing to us after Katrina.

For a pledge of [just \\$10 a month](#) or more, you'll begin receiving colorful monthly updates of our activities by mail or by email. You'll enjoy seeing the pictures of some of the wonderful animals your donations are helping each month.

Paws Cause members also get discounts and special premiums at HSL events.

Sign up now, and we will contact you with details about membership. We will be happy to accept your first pledge today, or feel free to submit it next month with your first alert!

Please, won't you help us meet our goal of signing up at 300 new Paws Cause members in 2009 for the animals of Louisiana?
