

Humane Society of Louisiana: PAWS TO REBUILD

Sponsorship Opportunities!

Paws to Rebuild donors wanting to give their personal or corporate title to a project or building at the Dixieland Center will be recognized in all HSL communications – from newsletters, to the web site to press releases. Appropriate permanent signage will also indicate the donor's gift in perpetuity. Sponsors should be advised that some projects may need to be completed before others are initiated.

MAIN BUILDING AND OPERATIONS:

Dixieland House (Renovations)	\$50,000.00
Caretaker's Cottage	\$30,000.00
Jazzy Cats Lounge	\$10,000.00

KATRINA SURVIVORS SANCTUARY

The Kitty Quarter (includes land & horse barn)	\$250,000.00	
Katrina K9 Condos	\$5,000.00	(X10)

In some instances, sponsorship levels may not represent the actual cost of the project in question.

*Costs projections are based on estimates that may change due to circumstances, such as the donation of supplies, the availability of volunteer labor, price increases, etc. In the unlikely event that construction costs are less than the sponsorship costs for a particular project, remaining funds will be earmarked for **Paws to Rebuild**.*

*Whenever the sponsorship levels do not cover the costs, HSL commits to providing the balance of the resources to complete the sponsored project, through general donations made to **Paws to Rebuild**.*
